Sir,

I have the honor to state that bye-laws for regulating the temporary occupation of lands vested in the Municipality, in Shimoga Town were sanctioned by Govt. (vide Order No. 5575 Ml. 33-15-11 dated the 1st February 1916), and the same are in force in this town.

2. In the afore said bye-laws, one Sub-section viz bye-law 5, was added by Govt. to the effect that the rules requiring the taking of permission for erecting Pandalas etc did not apply when they were required to be put up during Dasara, Moharam or other public purposes.

3. Taking advantage of this proviso, a pendal in connection with the exhibition of Kama was erected by one Channabasappa in Doddapett without waiting for permission from the Municipality. He introduced some innovations and gave room to a complaint from the other communities of having contravened the mamool. This would have resulted in a breach of the peace and communal ill-feelings if timely action had not been taken.

4. At the suggestion of the District Magistrate, the question of revising the pendal bye-laws was taken up by the Municipal Council with the object of enforcing the taking out Maffi or free licences.
